3. Notifications that may be required due to this change

A customer who manufactures or imports into the EU area an article containing more than 0.1 wt% of the target substance may be required to submit the following notification.

Please refer to the official URL for details.

(1) Notification to SCIP database

Target: Customers who manufacture or import into the EU region articles containing more than 0.1 wt% of the subject substances (there is no annual usage or import limit).

Deadline: From the date on which the target substances are listed (January 17, 2023) to the date of distribution within the EU.

<https://echa.europa.eu/scip>

(2) Notification to ECHA

Target: Customers who manufacture in the EU or import into the EU region articles containing more than 0.1 wt% of the subject substances in quantities of 1 ton or more per year in terms of the subject substances.

Deadline: Within 6 months from the date on which the subject substance was listed on the list (January 17, 2023).
